## Critique and Limitations of El Tiempo Iznajar

While El Tiempo Iznajar provides useful insights, it is not without its limitations. One of the primary constraints noted in the paper is the restricted sample size of the research, which may affect the universality of the findings. Additionally, certain variables may have influenced the results, which the authors acknowledge and discuss within the context of their research. The paper also notes that expanded studies are needed to address these limitations and investigate the findings in larger populations. These critiques are valuable for understanding the context of the research and can guide future work in the field. Despite these limitations, El Tiempo Iznajar remains a valuable contribution to the area.
