## Critique and Limitations of Chandimangal

While Chandimangal provides useful insights, it is not without its weaknesses. One of the primary constraints noted in the paper is the restricted sample size of the research, which may affect the generalizability of the findings. Additionally, certain biases may have influenced the results, which the authors acknowledge and discuss within the context of their research. The paper also notes that further studies are needed to address these limitations and investigate the findings in different contexts. These critiques are valuable for understanding the context of the research and can guide future work in the field. Despite these limitations, Chandimangal remains a valuable contribution to the area.
