## Critique and Limitations of Differentiable Sorting Presentation

While Differentiable Sorting Presentation provides useful insights, it is not without its shortcomings. One of the primary constraints noted in the paper is the limited scope of the research, which may affect the applicability of the findings. Additionally, certain variables may have influenced the results, which the authors acknowledge and discuss within the context of their research. The paper also notes that further studies are needed to address these limitations and test the findings in larger populations. These critiques are valuable for understanding the framework of the research and can guide future work in the field. Despite these limitations, Differentiable Sorting Presentation remains a critical contribution to the area.
