## Critique and Limitations of Wanna Bet

While Wanna Bet provides valuable insights, it is not without its weaknesses. One of the primary limitations noted in the paper is the narrow focus of the research, which may affect the generalizability of the findings. Additionally, certain variables may have influenced the results, which the authors acknowledge and discuss within the context of their research. The paper also notes that expanded studies are needed to address these limitations and explore the findings in broader settings. These critiques are valuable for understanding the context of the research and can guide future work in the field. Despite these limitations, Wanna Bet remains a valuable contribution to the area.
