## Critique and Limitations of Make My Show

While Make My Show provides important insights, it is not without its limitations. One of the primary constraints noted in the paper is the restricted sample size of the research, which may affect the universality of the findings. Additionally, certain assumptions may have influenced the results, which the authors acknowledge and discuss within the context of their research. The paper also notes that expanded studies are needed to address these limitations and explore the findings in different contexts. These critiques are valuable for understanding the framework of the research and can guide future work in the field. Despite these limitations, Make My Show remains a critical contribution to the area.
