Methodology Used in Daily Calendar

In terms of methodology, Daily Calendar employs a comprehensive approach to gather data and evaluate the information. The authors use mixed-methods techniques, relying on interviews to gather data from a selected group. The methodology section is designed to provide transparency regarding the research process, ensuring that readers can understand the steps taken to gather and analyze the data. This approach ensures that the results of the research are valid and based on a sound scientific method. The paper also discusses the strengths and limitations of the methodology, offering critical insights on the effectiveness of the chosen approach in addressing the research questions. In addition, the methodology is framed to ensure that any future research in this area can build upon the current work.
