## Critique and Limitations of Plus 15 Map

While Plus 15 Map provides valuable insights, it is not without its weaknesses. One of the primary constraints noted in the paper is the restricted sample size of the research, which may affect the generalizability of the findings. Additionally, certain variables may have influenced the results, which the authors acknowledge and discuss within the context of their research. The paper also notes that expanded studies are needed to address these limitations and explore the findings in broader settings. These critiques are valuable for understanding the context of the research and can guide future work in the field. Despite these limitations, Plus 15 Map remains a significant contribution to the area.
