

# E Commerce Framework

## Critique and Limitations of E Commerce Framework

While E Commerce Framework provides useful insights, it is not without its shortcomings. One of the primary limitations noted in the paper is the limited scope of the research, which may affect the generalizability of the findings. Additionally, certain variables may have influenced the results, which the authors acknowledge and discuss within the context of their research. The paper also notes that further studies are needed to address these limitations and test the findings in broader settings. These critiques are valuable for understanding the limitations of the research and can guide future work in the field. Despite these limitations, E Commerce Framework remains a critical contribution to the area.
