### **Critique and Limitations of Mapa Oriente Proximo**

While Mapa Oriente Proximo provides useful insights, it is not without its weaknesses. One of the primary limitations noted in the paper is the restricted sample size of the research, which may affect the universality of the findings. Additionally, certain biases may have influenced the results, which the authors acknowledge and discuss within the context of their research. The paper also notes that more extensive research are needed to address these limitations and investigate the findings in larger populations. These critiques are valuable for understanding the limitations of the research and can guide future work in the field. Despite these limitations, Mapa Oriente Proximo remains a valuable contribution to the area.
