## **Methodology Used in The White Tiger**

In terms of methodology, The White Tiger employs a rigorous approach to gather data and evaluate the information. The authors use quantitative techniques, relying on interviews to collect data from a selected group. The methodology section is designed to provide transparency regarding the research process, ensuring that readers can replicate the steps taken to gather and interpret the data. This approach ensures that the results of the research are trustworthy and based on a sound scientific method. The paper also discusses the strengths and limitations of the methodology, offering critical insights on the effectiveness of the chosen approach in addressing the research questions. In addition, the methodology is framed to ensure that any future research in this area can build upon the current work.
