### **Critique and Limitations of Turkish To Urdu**

While Turkish To Urdu provides important insights, it is not without its weaknesses. One of the primary limitations noted in the paper is the restricted sample size of the research, which may affect the generalizability of the findings. Additionally, certain assumptions may have influenced the results, which the authors acknowledge and discuss within the context of their research. The paper also notes that more extensive research is needed to address these limitations and explore the findings in broader settings. These critiques are valuable for understanding the limitations of the research and can guide future work in the field. Despite these limitations, Turkish To Urdu remains a valuable contribution to the area.
