Critique and Limitations of Teknik Membuat Batik

While Teknik Membuat Batik provides important insights, it is not without its weaknesses. One of the primary constraints noted in the paper is the limited scope of the research, which may affect the generalizability of the findings. Additionally, certain biases may have influenced the results, which the authors acknowledge and discuss within the context of their research. The paper also notes that expanded studies are needed to address these limitations and investigate the findings in broader settings. These critiques are valuable for understanding the context of the research and can guide future work in the field. Despite these limitations, Teknik Membuat Batik remains a critical contribution to the area.
