## **Critique and Limitations of Central Silk Board**

While Central Silk Board provides useful insights, it is not without its weaknesses. One of the primary limitations noted in the paper is the restricted sample size of the research, which may affect the applicability of the findings. Additionally, certain assumptions may have influenced the results, which the authors acknowledge and discuss within the context of their research. The paper also notes that expanded studies are needed to address these limitations and explore the findings in larger populations. These critiques are valuable for understanding the context of the research and can guide future work in the field. Despite these limitations, Central Silk Board remains a valuable contribution to the area.
