## Critique and Limitations of Rape: My Story

While Rape: My Story provides important insights, it is not without its limitations. One of the primary constraints noted in the paper is the restricted sample size of the research, which may affect the generalizability of the findings. Additionally, certain biases may have influenced the results, which the authors acknowledge and discuss within the context of their research. The paper also notes that further studies are needed to address these limitations and test the findings in larger populations. These critiques are valuable for understanding the context of the research and can guide future work in the field. Despite these limitations, Rape: My Story remains a significant contribution to the area.
