## Critique and Limitations of Management As An Art

While Management As An Art provides important insights, it is not without its shortcomings. One of the primary limitations noted in the paper is the restricted sample size of the research, which may affect the

applicability of the findings. Additionally, certain assumptions may have influenced the results, which the authors acknowledge and discuss within the context of their research. The paper also notes that further studies are needed to address these limitations and explore the findings in larger populations. These critiques are valuable for understanding the context of the research and can guide future work in the field. Despite these limitations, Management As An Art remains a valuable contribution to the area.
