## **Critique and Limitations of Essential English Grammar In Use**

While Essential English Grammar In Use provides valuable insights, it is not without its limitations. One of the primary limitations noted in the paper is the narrow focus of the research, which may affect the applicability of the findings. Additionally, certain variables may have influenced the results, which the authors acknowledge and discuss within the context of their research. The paper also notes that further studies are needed to address these limitations and explore the findings in larger populations. These critiques are valuable for understanding the limitations of the research and can guide future work in the field. Despite these limitations, Essential English Grammar In Use remains a critical contribution to the area.
