Objectives of 3

The main objective of 3 is to address the study of a specific topic within the broader context of the field. By focusing on this particular area, the paper aims to shed light on the key aspects that may have been overlooked or underexplored in existing literature. The paper strives to address gaps in understanding, offering new perspectives or methods that can expand the current knowledge base. Additionally, 3 seeks to offer new data or support that can help future research and practice in the field. The focus is not just to repeat established ideas but to introduce new approaches or frameworks that can redefine the way the subject is perceived or utilized.
