

Dampak Sosial Informatika

Critique and Limitations of Dampak Sosial Informatika

While Dampak Sosial Informatika provides useful insights, it is not without its shortcomings. One of the primary constraints noted in the paper is the restricted sample size of the research, which may affect the universality of the findings. Additionally, certain biases may have influenced the results, which the authors acknowledge and discuss within the context of their research. The paper also notes that further studies are needed to address these limitations and test the findings in larger populations. These critiques are valuable for understanding the framework of the research and can guide future work in the field. Despite these limitations, Dampak Sosial Informatika remains a significant contribution to the area.
